

# LITTLE FAIRY PUBLIC SCHOOL

## Holidays Home Work(2024 -2025) CLASS: 4

Summer Vacations will commence from 20th May' 24 to 30th June' 24. The school will reopen from 1st July'24 (Monday). The summer vacations are here, so relax and enjoy yourself. Spend time playing games with your family members, listening to stories from your grandparents, reading story books, cleaning up your room, or taking up a hobby- be it cycling, swimming, playing cricket or skating! We would also like all of you to spend some time every day to revise the concepts done in different subjects. Another important aspect of a child's overall development is directly related to the values that he/she embodies. No education can be complete without inculcating values. In today's materialistic world value system seems to have been relegated to the background. Therefore, we would like to encourage parents to spend some quality time with their children. Holiday homework has been designed in such a way that the students will get a chance to inculcate moral values, reading habit as well as engage themselves in meaningful pursuits that will enhance their comprehension and reasoning skills along with honing their aesthetic sense.

**Note :-Revise all the work done in the class .**
