HOLIDAYS HOMEWORK

CLASS - 1

Summer vacations will begin from 13th May 2025(Tuesday) and continue till 30th June 2025(Monday) . The school will reopen on 1st July 2025 (Tuesday)

Dear Children, Summer Vacation is synonymous with fun and frolic, going for picnics ,visiting Nani house, Dadi house, watching your favourite shows on television, playing for long hours, exploring new places and much more.....But, dear children, there is a lot more you can do to make your vacation more interesting and meaningful. We have planned some interesting activities for you. So, don't sleep till late in the morning. Try getting up early and go for a morning walk with your parents, breathe fresh air and avoid playing out in sun.

The holiday homework has been designed not just to revise what you've learned in school, but also to spark your creativity, build good habits, and strengthen your thinking skills.

Each activity has a purpose — to help you learn while having fun. We also encourage you to spend meaningful time with your loved ones, as this helps in developing strong values and a caring nature.

Wishing you a joyful, creative, and enriching summer vacation — full of laughter, learning, and love!

Note:- Assignment sheets are enclosed for practice. Submit these sheets in a nice handmade folder/bag (made with the help of your child) by 4th July 2025.
