

LITTLE FAIRY PUBLIC SCHOOL

HOLIDAYS HOME WORK (2026-27)

CLASS VII

“Learning never goes on vacation- it travels with you through holiday homework!”

Holidays are an integral parts of student’s life. It is a time for fun, a time to explore and a time to learn in different ways. When holidays are given a meaningful direction, it results in a productive and enjoyable time. Let’s use the holidays to pursue some hobbies and apply our minds creatively to learn new things and to bring a change in the environment, in our own individual ways.

Summer vacations will begin from 18th May 2026 (Monday) and continue till 30th June 2026 (Tuesday). The school will reopen on 1st July 2026 (Wednesday).

General instructions that are to be followed:-

- i) The work should be original not copied from internet.
- ii) Handwriting should be neat and legible.
- iii) Holidays homework is a part of subject enrichment and will be assessed on the basis of creativity and efforts of the students.
- iv) ‘A healthy minds resides in a healthy body’ pay attention to your health, go for morning and evening walks. Celebrate International Yoga Day on 21st June 2026 by performing simple Yoga Asanas at home. Capture the moment by clicking a few pictures while doing the asanas and share them with your class teacher.
- v) Open your mind for reading newspapers, novels, blogs and stories that will help you in increasing vocabulary.
- vi) Indulge yourself into activities like cooking, singing, dancing, aerobics, cycling, swimming, art & craft and gardening and share your experience with your family and friends.
- vii) Spend quality time with your grandparents and parents, talk to them regarding their experience of school.
- viii) Complete all the given assignments and submit to your respective subject teachers when school reopens.
- ix) **Revise the entire syllabus of Periodic Test 1 .**

ENGLISH

1. Parts of Speech "Spinning Wheel" - Create a double layered cardboard wheel. The top layer has a window, as you spin it , the wind dow reveals a Part of Speech and an example sentence on the bottom layer.
2. Read Literature Reader Ch 1 to 5 . Identify difficult words and make a dictionary of 50 words for the same.
3. Make a Newspaper of 4 - 5 pages and add topics like sports , movies , society , puzzles or games (on A3 size sheet).
4. Travel Brochure - Design a brochure for your favourite Indian tourist destination. Include catchy headings, interesting facts, and relevant pictures.
5. Poetry Umbrella - Hang an open umbrella from the ceiling. Attach "raindrops" made of blue paper, each containing a line from a famous poem or a student's original verse.

HINDI

पत्रिका निर्माण गतिविधि

1. निम्नलिखित विषयों पर अपने विचार लेखबद्ध करें(चित्र सहित)
 - साइबर सुरक्षा
 - भारतीय नारी के बढ़ते कदम
 - ग्लोबल वार्मिंग के कारण
 - मनोरंजन -- स्वरचित कविता लिखिए
 - मनपसंद खेल और खिलाड़ी

परियोजना कार्य

1. 'कविता के रंग ,कवि के संग-- विषय पर चित्र सहित अपने मनपसंद कवि को आधार बनाकर परियोजना कार्य तैयार कीजिए ।
2. हिंदी: एकता की भाषा* विषय पर आकर्षक स्लोगन तैयार करें।(A3 साइज शीट)
3. किसी एक महान व्यक्ति की आत्मकथा को पढ़े इसका संक्षिप्त विवरण देते हुए उनकी शिक्षाओं को लेखबद्ध कीजिए।

MATHEMATICS

1. Revise chapters 1,2 and 3
2. Puzzle corner - Solve and create 10 sudoku or number puzzles on A-4 size sheets
3. Make a colorful scrapbook including
 - types of numbers(integers, fractions, decimals)
 - fun facts about Maths
 - important formulas with examples
4. Design a colorful board game or card game which includes rules, scoring system and sample questions.
5. Art with angles
Create a pattern design on A-4 size sheet using different types of angles.
 - Label each angle and decorate with colors.
6. Do the given assignments on sheets

SCIENCE

"Think Smart, Save the planet"

1. Prepare a "Science Magazine" on the theme "Smart Planet's - Technology for greener future". Use your imagination and creativity. Make a nice cover. The content should of 7-8 pages only.
2. To Honour 2026 as the "International year of Woman Farmer." Students are requested to prepare a "Project" on A-4 sized sheets highlighting the role played by Women in agriculture, Contribution, interesting facts about farming and problems they faced during farming etc. Paste pictures also.
3. "Models that move Minds".
Prepare working model on the topics given below (according to Roll No)
 - Roll No:1 to 10:- Mechanism of breathing
 - Roll No:11 to 20:-Sewage Treatment Plant
 - Roll No:21 to 30:- Smart city Model
 - Roll No: 31 and above:- Smart Irrigation
4. Make an attractive poster on the themes given below:
 - Roll No:1 to 20:- "Green is the new clean"
 - Roll No:21 onwards:-"Cut greed, not green"

Important Note:- 1) Holiday Home Work should be creative and original.

- 2) Compile all your work in a clear bag or in paper bag.
- 3) Use diagrams, charts or pictures wherever necessary.
- 4) Ensure neat presentation and use eco-friendly materials where possible.

SOCIAL STUDIES

1. **History:-** Let's explore this vacation the pilgrimage journey of 'Char Dham ' in Uttrakhand which includes four sites of religious importance: **Yamunotri , Gangotri , Kedarnath, Badrinath** by collecting information which should include:
 - History of Char Dham
 - Its religious and economic importance
 - Conclusion
 Present your project work on A-4 size sheet with creative folder and beautiful pictures.
2. **Geography:-** Make a model on 'landforms of India'.
 - Roll No:1 to 20:- "Mountains"
 - Roll No:21 onwards:- "Deserts"
3. **Civics:-** Prepare a brief presentation on "Online markets --- revolutionizing the shopping trend." It should comprise:
 - Introduction of topic
 - Advantages and disadvantages
 - Impact on people
 Support your presentation with relevant information and pictures.

SANSKRIT

1. छात्र अपनी दिनचर्या की सभी गतिविधियों को सस्कृत समयानुसार लिखें ।
2. 'अष्टावक्रगीता' पुस्तक से 2 श्लोक कंठस्थ करें एवम A-4 शीट पर सुंदर लेखन में लिखें।
3. दिए गए 'निर्दिष्ट कार्य - अभ्यास पत्र' को कार्यपुस्तिका में करें ।
4. कक्षा में करवाए गए कार्य करें का लिखित अभ्यास करें ।

ART

Draw a poster on A3 size sheet on the following topic:

VII A:- Drug Addiction

VII B:- Save Water

VII C:- Save Energy

KAUSHAL BODH

"Plan and create a small plant nursery using suitable seeds and materials. Record your observations for 10–15 days and explain how different factors like sunlight, water, and soil affected plant growth."

NOTE:

- Use eco-friendly and recycled materials (plastic bottles, old containers)
- Avoid wastage of soil, water, and seeds
- Prefer organic compost over chemicals
- Paste photos or draw diagrams of plant growth stages
- Show before and after changes
- Attach observation table and conclusion
- Label all pictures clearly

"Kindly refer to Project 1 'Plant Nursery' (pages 3–24) in the Kaushal Bodh book for detailed guidance."

CLASS VII**ASSIGNMENT-1****ENGLISH****Q1. Identify the kind of sentence for each of the following.**

- a) Please submit your notebooks by Friday.
- b) What an amazing performance that was!
- c) Have you completed your project?
- d) The Ganga is a holy river.
- e) Never tell a lie.
- f) How beautiful the Taj Mahal looks at night!
- g) Who discovered America?
- h) May God bless you with happiness.

Q2. Divide the following sentences into Subject and Predicate.

- a) The old man with a walking stick lives next door.
- b) My favourite author writes adventure stories.
- c) A flock of migratory birds flew over the lake.
- d) The children in the park were playing happily.
- e) Honesty and hard work lead to success.
- f) The teacher gave us an interesting assignment.
- g) Delhi, the capital of India, is very crowded.
- h) The sound of the thunder scared the baby.

Q3. Rewrite the underlined nouns by changing them from singular to plural or plural to singular.

- a) The child saw a mouse in the kitchen.
- b) The women bought new boxes for storage.
- c) A man saw two deer in the forest.
- d) My tooth is aching since yesterday.
- e) The leaves of the tree turned yellow.

Q4. Rewrite the sentences by changing the gender of the underlined nouns.

- a) The king addressed his subjects.
- b) My aunt met the actor at the airport.
- c) The waiter served food to the bride .
- d) The prince married the duchess.
- e) The lion chased the mare in the jungle.

Q5. Write 10 daily-use phrases with their meaning and frame 2 sentences for each phrase.

(Example : Break the ice)

Q6. Fill in the blanks with suitable collective nouns.

- a) A _____ of stars appeared in the sky.
- b) The _____ of directors took an important decision.
- c) A _____ of bees attacked the travelers.
- d) Our school won the match and the _____ celebrated.
- e) A _____ of singers performed at the concert.

- g) A _____ of elephants was crossing the forest.
- h) She bought a _____ of bananas from the market.

Q7. You've just discovered a door in your house that you've never seen before. What lies on the other side? Write a paragraph describing your experience in 100 - 120 words.

Q8. Imagine you spent a week at your grandparents' house in a rural village. Describe the change in pace, the fresh food, and how it felt to be away from city life and gadgets. Write a diary entry including date and day.

Q9. Write an Application to the Principal of your school for Participating in Inter-School Competition.

(Your Address) ____

Date: ____

The Principal,

(School Name) ____

Subject: Application for permission to ____

Respected Sir/Madam,

I ____ am a student of Class __ Section __ Roll No. ____

Our school has received an invitation to participate in the Inter-School ____ Competition on ____ at __. I have been selected by ____ Sir/Ma'am to represent our school.

I request you to kindly grant me permission to _____. I assure you that I will do my best.

Thanking you,

Yours sincerely,

(Signature/Name) ____

Class: VII __

Roll No: ____

ASSIGNMENT-2

Q1. Answer the following questions:

- a) Which two contradictory emotions are conveyed in the poem?
- b) How are people waiting to welcome the captain?
- c) Why could Hughie not marry Laura?
- d) What is the surprising twist in the tale?
- e) Why did Anne wish to be called Cordelia?
- f) Why was Marilla surprised to see the girl ?
- g) What kind of night dresses did Anne have and why?
- h) What ideas does the story give Anne's life in the orphanage?

Q2. Read the given extracts and answers the questions:

- a) The ship has weather'd every rack , the prize we sought is won.
 - (i) What prize is the poet referring to ?
 - (ii) Why does the captain not respond to the cheers of the people ?
 - (iii) What feeling is conveyed in the 'but o heart! Heart ! heart!' ?
 - (iv) How is the speaker mood different from the people on shore ?
- b) 'She's just referring to some conversation we had on the road, said Matthew hastily.
 - (i) How did Anne describe her feelings that she was going to live in a home?
 - (ii) Why did Marilla wish to adopt a boy instead of a girl?
 - (iii) Why couldn't Anne eat any supper?
 - (iv) What sleeping arrangement had Marilla made for the visitor?

HINDI
ASSIGNMENT-1

निम्नलिखित प्रश्नों के उत्तर दीजिए (मल्हार)----

1. हिंदी भाषा भारत के अलावा और कौन-कौन से देश में बोली जाती है?
2. संविधान में किन 22 भाषाओं को मान्यता प्राप्त प्रदान की गई है ?
3. वर्ण विच्छेद करें -- पुस्तकालय, कक्षा, विज्ञान , भारतीय, सार्थक
4. अनुस्वार ,अनुनासिक और विसर्ग शब्दों के 10 उदाहरण लिखें
5. स्वर किसे कहते हैं? उसके कितने भेद हैं ?उदाहरण सहित लिखिए ।
6. संधि किसे कहते हैं इसके कितने भेद हैं प्रत्येक के दो-दो उदाहरण दीजिए
7. संधि विच्छेद करें -- विद्यार्थी, अनुशासन, परमानंद, कक्षा
8. विराम चिन्ह किसे कहते हैं? सभी विराम चिन्हों का प्रयोग करते हुए 10 वाक्य लिखिए।
9. निम्नलिखित विषयों पर अनुच्छेद लिखें :-
 - भारतीय नारी अब नहीं बेचारी
 - परहित सरिस धर्म नहीं भाई
 - कटते वन ,बढ़ता जीव जंतुओं का आतंक
 - मजहब नहीं सिखाता आपस में बैर करना

10. अपठित गद्यांश ध्यान पूर्वक पढ़े तथा प्रश्नों के उत्तर दें---

प्रकृति हमारे जीवन का अहम हिस्सा है। हम जितनी भी अपने जीवन में प्रगति करते हैं, हमें यह नहीं भूलना चाहिए कि हमारी प्रगति का आधार प्रकृति ही है। अगर हम प्रकृति के संसाधनों का सोच-समझकर उपयोग करें, तो न केवल हम अपने लिए एक अच्छा जीवन बना सकते हैं, बल्कि आने वाली पीढ़ियों के लिए भी एक स्वस्थ वातावरण छोड़ सकते हैं। हमें यह समझना होगा कि प्राकृतिक संसाधन सीमित हैं, और उनका अत्यधिक दोहन हमारे लिए नुकसानदेह हो सकता है इसलिए हमें जल, वायु, भूमि और वन जैसी प्राकृतिक सम्पत्तियों का संरक्षण करना चाहिए।

(क) गद्यांश के अनुसार, हमारे जीवन में प्रकृति की क्या भूमिका है?

(ख) प्राकृतिक संसाधनों के उपयोग के बारे में क्या संदेश दिया गया है?

(ग) यह क्यों कहा गया है कि प्राकृतिक संसाधन सीमित हैं?

(घ) प्रकृति का संरक्षण कैसे किया जा सकता है।

11. दिए गए चित्र को देखकर अपने विचारों को प्रस्तुत कीजिए ।

HINDI
ASSIGNMENT-2

निम्नलिखित प्रश्नों के उत्तर दीजिए ----

1. पशु पक्षियों का शिकार करना दंडनीय अपराध है आपके विचार से पशु पक्षियों के शिकार करने की प्रवृत्ति को रोकने के लिए क्या उपाय करने चाहिए ।
2. 'मां - कह एक कहानी, के अंत में राहुल जो निर्णय देता है क्या आप उसे सहमत है यदि आप निर्णय देते तो किसका पक्ष लेते और क्यों?
3. मान लीजिए कि मां ने जो कहानी सुनाई है आप भी उसके एक पात्र हैं। आप कौन सा पात्र बनना चाहेंगे और क्यों ?
4. कहानी के अंत में राहुल जो निर्णय देता है क्या आप उससे सहमत हैं यदि आप निर्णय देते तो किसका पक्ष लेते हैं और क्यों ?
5. तीनों भाइयों को यात्रा के दौरान क्या-क्या परेशानियां उठानी पड़ी?
6. तीन बुद्धिमान पाठ में राजा ने सच्चाई जानने के लिए क्या किया ?
7. तीन बुद्धिमान पाठ में घुड़सवार के मिलने पर तीनों भाइयों ने क्या पूछा ?
8. घुड़सवार द्वारा चोरी का आरोप लगने पर भी तीनों भाई शांत रहे, आवेश में नहीं आएँ, क्यों?
9. तीन बुद्धिमान लोककथा की कथावस्तु को अपने शब्दों में लिखें ।
10. **निम्नलिखित काव्यांश को पढ़कर पूछे गए प्रश्नों के उत्तर दीजिए --**
हैं जन्म लेते जगत में एक ही एक ही पौधा उन्हें है पालता
रात में उन पर चमकता चांद भी एक ही सी चांदनी है डालता
क) फूल और कांटे कहां जन्म लेते हैं ?
ख) चांदनी कैसी होती है ?
ग) इन पंक्तियों में कवि क्या समझाना चाहते हैं?
घ) 'चांद' पर्यायवाची शब्द लिखिए।
11. तीनों भाई निर्धन होने के बावजूद भी सत्यवादी थे क्या आप इस कथन से आप सहमत हैं?
12. कल्पना कीजिए कि आपको किसी कांटे फूल या दोनों के गुण के साथ जीवन जीने का अवसर मिलता है आप किसके गुणों का अपनाना चाहेंगे कारण सहित बताइए।
13. फूल और कांटे में से हमारा आदर्श कौन होना चाहिए कविता के आधार पर स्पष्ट कीजिए ।
14. आपके अनुसार मनुष्य को फूल की तरह बनने के लिए कौन-कौन से गुण अपनाने चाहिए?
15. मेघ और हवाएँ फूल और कांटे के साथ कैसा व्यवहार करती है ?
16. फूल अपनी सुंदरता से किन्हें आकर्षित करते है ?
17. फूल और कांटे को कौन - कौन सी समान परस्थितियाँ प्राप्त होती है ?

MATHEMATICS**ASSIGNMENT-1****Solve these questions:-**

1. A person had ₹12,00,000 in his savings account. He bought a laptop for ₹45,750, a refrigerator for ₹32,600 and spent ₹9,85,400 on the renovation of his house. How much money is left in his account now? Also, write the balance in the International number system.
2. Find the values of the following expressions. For each pair, first try to guess whether they have the same value.
 - (i) $(170+20) - 15$ and $170+(20-15)$
 - (ii) $243 - (162-42)$ and $(243-162) - 42$
 - (iii) $639 - (288 + 77)$ and $639+(-288-77)$
 - (iv) $568 - (320-51)$ and $(568-320)+51$
3. What is the difference between the greatest 9-digit number and the smallest 10-digit number?
4. Identify the place and place value of 8 in the number 48,05,63,271 according to the Indian number system. Also, identify its place and place value as per the International number system.
5. Sneha wrote a number as sixty-seven million four hundred twenty-five thousand one hundred nine. Her friend Aryan wrote 6,74,25,109. Are both numbers the same? Justify your answer by converting each number into the other number system.
6. Here are the populations of two towns:
Town A: 7,45,39,215
Town B: 745,392,150
Are the populations of both towns equal? Explain the difference using the Indian and International number systems.
7. A businessman earned 56,27,48,920 in one year. He wants to present the same number in his international business report using the International number system. Write the number with commas as per the International number system and also write its number name.
8. India's total population in 1951 was 361 million and in 2021 it reached 1393 million.
 - (i) Find the total increase in population.
 - (ii) Express your answer using commas in the Indian number system and write in words.
 - (iii) By how many lakhs did the population increase?
9. A calculator has the following buttons: +1, +10, +100, +1000, +10000, +100000 and +10,00,000. It always has multiple ways of doing things. For each number given below, write expressions for at least two different ways to obtain the number through button clicks.
 - (i) 6245
 - (ii) 34125
 - (iii) 754012
 - (iv) 9415230
10. Create a 9-digit number where interchanging any two digits always increases the value of the number.
 - (i) Write such a number
 - (ii) Rewrite the number using commas in the International number system.

MATHEMATICS**ASSIGNMENT-2**

Solve the following questions:-

- A green tree frog is $3\frac{6}{10}$ cm long, and a leaf insect is $2\frac{9}{10}$ cm long. What is the difference in their lengths?
- The length of a squirrel's body is $7\frac{3}{10}$ units, while its tail is $4\frac{8}{10}$ units long. How much longer is the body than the tail?
- A sunflower grows up to 15.2 cm, while a rose plant reaches 9.5 cm. By how much is the sunflower taller than the rose?
- Priya's foot measures 8.4 inches, and her shoe is 9.1 inches long. What is the difference between the shoe length and her foot length?
- Arjun's arm measures 8.6 units, and his hand is 2.7 units. What is the length of the part from the tip of his hand to the shoulder?
- A bamboo stick was 6.9 metres long. Riya cut off a piece that was 2.4 metres long. How much of the stick is left?
- Add the following:

(i) $5\frac{7}{10}$ and $2\frac{6}{10}$	(ii) $2\frac{3}{10}, \frac{4}{10}$ and $3\frac{7}{10}$	(iii) $5\frac{1}{10}, 2\frac{1}{10}$ and $8\frac{1}{10}$	(iv) $2\frac{3}{10}, 5\frac{4}{10}$ and $7\frac{5}{10}$
---	--	--	---
- Subtract the following:

(i) $12\frac{4}{10} - 6\frac{7}{10}$	(ii) $28\frac{9}{10} - 17\frac{5}{10}$	(iii) $75\frac{1}{10} - 58\frac{7}{10}$	(iv) $35\frac{2}{10} - 19\frac{6}{10}$
--------------------------------------	--	---	--
- Find the value of the following.

(i) $923 + (38-77)$	(ii) $1045 - (77+19)$	(iii) $1243 - (994-228)$	(iv) $842 + (118-65)$
---------------------	-----------------------	--------------------------	-----------------------
- Add brackets at appropriate places in the expressions such that they lead to the values indicated.

(i) $398 - 123 - 88 = 187$	(ii) $792 - 78 - 55 = 659$	(iii) $-400 - 100 + 50 + 400 = -50$	
----------------------------	----------------------------	-------------------------------------	--
- Express as rupees using decimals.

(i) 5 paise	(ii) 75 paise	(iii) 20 paise	(iv) 725 paise
-------------	---------------	----------------	----------------
- Express as metres using decimals.

(i) 15 cm	(ii) 419 cm	(iii) 2 m 45 cm	(iv) 9 m 7 cm
-----------	-------------	-----------------	---------------
- Express as cm using decimals.

(i) 5 mm	(ii) 60 mm	(iii) 9 cm 8 mm	(iv) 164 mm
----------	------------	-----------------	-------------
- Express as km using decimals.

(i) 8 m	(ii) 88 m	(iii) 70 km 5 m	(iv) 8888 m
---------	-----------	-----------------	-------------
- Express as kg using decimals.

(i) 2 g	(ii) 5 kg 8 g	(iii) 100 g	(iv) 3750 g
---------	---------------	-------------	-------------

SCIENCE
ASSIGNMENT 1

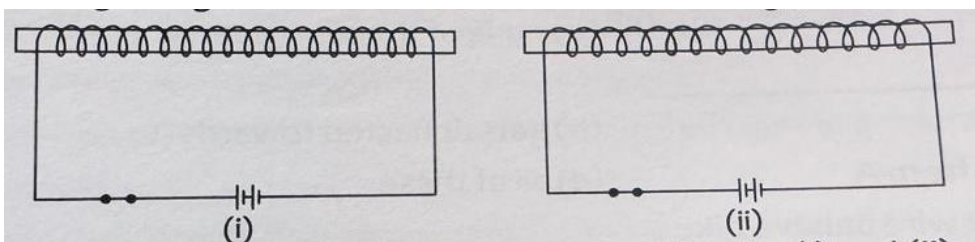

1. A scientist makes a discovery, but later it is proven wrong. Does it mean the scientist failed? Why or why not?
2. How has technology helped in the development of science? Give two examples.
3. Why is observation important in science?
4. What might happen if observations are ignored?
5. How do mistakes help scientists in making new discoveries?
6. A student mixes an acid and a base but still gets an acidic solution. Explain how this is possible.
7. If both lemon juice and vinegar are acidic, why do they taste different? Explain based on their composition
8. You are given three colorless liquids: A, B, and C. A turns red litmus blue, B turns blue litmus red, and C shows no change. Identify their nature and justify.
9. Explain why shampoo is slightly basic but still safe for hair.
10. Explain why toothpaste is basic in nature. How does it protect teeth?
11. How do mistakes help scientists in making new discoveries?
12. Why should scientific knowledge be updated regularly in textbooks?
13. Mention any five uses of acids and bases.
14. A factory releases waste water into a nearby river. Before releasing, the waste is treated with a basic substance.
 - (i) Why is the waste treated before releasing?
 - (ii) What would happen if untreated acidic waste is released?
 - (iii) What type of reaction takes place during treatment?
15. Observe the table and complete it by writing the colours that lemon juice and lime water will show with the given indicators.

INDICATORS	LEMON JUICE	LIME WATER
Turmeric		
Red litmus		
China rose extract		
Phenolphthalein		

16. Rohit often complains of stomach pain due to acidity. The doctor advised him to take an antacid. How can knowledge of acids and bases help in everyday life decisions?
 - (i) What is the nature of antacids?
 - (ii) How do antacids give relief?
 - (iii) Give one example of an antacid.
 - (iv) What will happen if excess antacid is consumed?

SCIENCE
ASSIGNMENT 2

- Q1. Imagine there were no irreversible changes in the world. How would daily life be different? Give two examples.
- Q2. You are asked to design a process where a change can be reversed easily. Suggest one example and explain how it works.
- Q3. Compare the following changes and classify them:
 (i) Melting of wax
 (ii) Burning of candle
 Which part is reversible and which is irreversible? Explain.
- Q4. Give two examples each of:
 (i) Slow changes and fast changes
 (ii) Natural changes and man-made changes
 Explain why you placed them in those categories.
- Q5. Rahul mixed salt in water and said no change has occurred because the salt is still there. Do you agree? Explain what type of change has taken place.
- Q6. After rainfall, puddles of water disappear after some time.
 (i) What type of change is this?
 (ii) Is it reversible? Explain how.
 (iii) Name the process responsible for this change.
- Q7. You want to design a toy that can change its shape and come back to original form.
 a) What type of change will you use?
 b) Give one real-life example of such a change.
- Q8. You are given a bulb, a cell, and a wire. The bulb is not glowing. How will you check where the fault lies?
- Q9. If a switch is placed in different positions in a circuit, will it affect the working of the bulb? Justify your answer.
- Q10. Two students made circuits. In one, the bulb glows brightly; in the other, it glows dimly. Suggest possible reasons for this difference.
- Q11. Can electricity pass through liquids? Design a simple experiment to test your answer.
- Q12. Look at the figures given below and answer the following questions:
 a) Which one is a stronger magnet among the fig (i) and (ii) given above and why?
 b) Why do we use iron for making an electromagnet and not steel?

SOCIAL STUDIES**ASSIGNMENT-1****HISTORY AND CIVICS**

1. What are the sources of the Mauryan Empire .
2. Why Gupta period is known as "Golden Age"of India.
3. What were the contribution of the Chera Dynasty to trade and economy?
4. Why was the Nalanda University famous during the Gupta period?
5. Who was Pushyamitra Shunga, and what were his contributions as a ruler?
6. Differentiate between Cheras and Pandya Dynasty.
7. Who founded Gupta Dynasty?
8. Why is Samudragupta referred to as the 'Napoleon of India '?
9. Which dynasty built Mahabalipuram temple in Tamil Nadu?
10. Name the foreign traveller visited India during Chandergupta II regin?
11. Who wrote Indica, and who was it about?
12. Give Examples of Monarchy and Oligarchy.
13. Why Indian Constitution is called a "living document"?
14. Differentiate between - Democracy & Dictatorship.
15. Who wrote the Indian constitution by hand in Hindi and English calligraphy?
16. What are the advantages and disadvantage of online market.
17. Differentiate between Domestic Market and International Markets.
18. What are the main functions of money, and why is it essential in economic activities?
19. Who introduced the silver rupee in the 16th century, which later became the basis of India 's currency system?
20. Why are quality checks important for consumers?
21. Differentiate between Janapada and Mahajanapda.
22. Name a few historical sources about the Mauryan Empire.
23. How did coins serve as a source of history in India?
24. What role do online aggregators play in today's market?
25. Define the term:
 - i) UPI
 - ii) QR Code
26. Who is known as the 'Father of the Indian Constitution '?
27. Differentent between Fundamental rights and fundamental duties
28. Write a short note on Magadha Empire .
29. What was the cultural impact of Alexander's invasion?

ASSIGNMENT-2**GEOGRAPHY**

1. Name one hydroelectric plant from each of the following river system:
 - a. Ganga River System
 - b. Brahmaputra River System.
2. Differentiate between Delta and Estuary.
3. What are the main elements of weather?
4. Why does weather change frequently, sometimes even within the same day?
5. What are the major climatic region of India.
6. What are the factors that shape our climate?
7. Differentiate between Summer Monsoon and Winter Monsoon.
8. How does climate influence natural disaster in india.
9. Write a short note on cold desert of india.
10. How is an automated weather station (AWS) used?
11. What are the different names for the Ganga and Brahmaputra in different regions?
12. Name the six seasons according to the Indian (Saka) calendar.
13. What is meant by the term 'cloudburst'?
14. What is the difference between weather and climate?
15. Name the world's largest delta?
16. Which layer of the atmosphere is responsible for all weather change?
17. What does a barometer measure?
18. Differentiate between High Air Pressure and Low Air Pressure.
19. How were the Northern Plains of India formed?
20. Where is India's active volcano situated?
21. Label the following in a India map:
 - a. Himalayan Range
 - b. Plateaus
22. Why do different parts of the Earth receive different amount of sunlight throughout the year?
23. How does the distance from the sea affect the climate of a specific location in India?
24. Why is India called a "Land of many climates"?
25. Why does high humidity make people feel uncomfortable, especially in summer?
