

LITTLE FAIRY PUBLIC SCHOOL, HUDSON LANE

CLASS: PRE-PRIMARY

Dear Students and Parents,

We wish you a very happy summer holiday. It's time to enjoy and create a bond. To utilize this time in the most constructive way, we have prepared some interesting activities for the kids on the principle of learning by doing for their holistic development. We request the parents to encourage their child for few things. So here we go.....

LET'S LEARN TO BE INDEPENDENT

Make your child independent so that they are able to do their small tasks by themselves such as:-

Brushing teeth twice daily , Combing their hair , Washing hands before and after meals , Getting the nails trimmed regularly and keeping them clean, Buttoning and unbuttoning their shirts , Folding their apron, mat and clothes , Zipping and unzipping , Learning to wear their shoes and socks

LET'S LEARN GOOD MANNERS

Help your child inculcate good habits like doing morning prayers and wishing everyone in the morning, watering the plants, motivate them to use golden words (SORRY, PLEASE, THANK YOU, MAY I & EXCUSE ME)

LET'S STAY FIT AND FINE

Physical development plays a very important role in the development of our kids. Encourage them to play different games, practice yoga and exercise with them. This way you will spend quality time with your kids and help them learn new things and explore their interests.

LANGUAGE DEVELOPMENT

Converse with them in English. Encourage them to speak, such as I am thirsty, thank you, please switch off/on the lights. Books are our best friends; create your child's interest in different colourful books. Encourage them to share their views on what they have seen in the book.

Dear parents,

Holidays are special for you as well as children, so enjoy these summer vacations engaging your children with you in some creative activities. students have to do the activities according to their roll numbers:-
